

# Faux Deck Planking, scribed with Mortise Gauge - Philip Hubbell

classic mortise gage or marking gage for marking lines parallel to an edge.

## T/37 MORTISE GAGE FOR FAUX DECK PLANKS

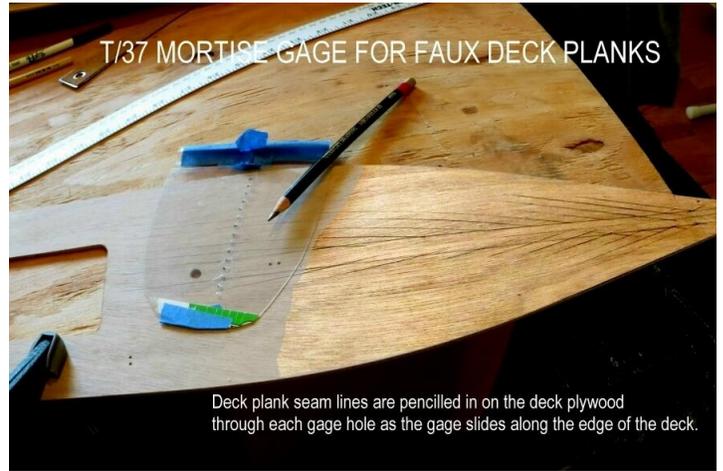

grip

guiding edge

marking holes

source of plastic material (100% post-consumer recycled)

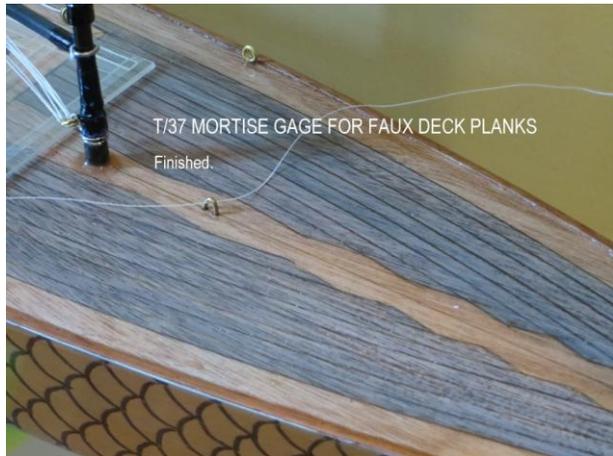

## T/37 MORTISE GAGE FOR FAUX DECK PLANKS

Deck plank seam lines are pencilled in on the deck plywood through each gage hole as the gage slides along the edge of the deck.

## T/37 MORTISE GAGE FOR FAUX DECK PLANKS

Stray pencil lines are erased.  
"Rubber Caulk" seam lines are drawn in with rollerball ink pen.  
"Weathered Teak" planks are colored with grey art marker.
